

Design a Shield

Use crayons, paint, felt tip pens, glitter, coloured paper and even fabric to create a fun and colourful shield. When you've finished, ask a grown-up to help cut out your design and stick to card. Then add a card handle on the back and pretend to be a brave and noble knight!

You will need:

- Decorating equipment
- Card
- Glue
- Scissors
- A grown-up to help

With the help of a grown-up, cut out your shield, stick to card and add a card handle.
